“At the end of the day the most overwhelming key to child’s success is the positive involvement of parents.”

Dear Parents,

Greetings and warm welcome from LTIS!!

Orientation program gives parents a peek into how the entire academic year of their ward would look like. It familiarizes the parents about the new classes and school system.

An orientation program for our parents of sr kg students who will be entering the primary section in the new academic year as well as for the parents of the new students for class 1 and 2, has been scheduled on 18th March, 2023, Saturday. It will begin at 9 am in the school auditorium.

An invitation for the same has been already posted in the newly formed class group. The attendance of at least one parent is very important for this orientation.

Expecting maximum participation of our parents!!
