

LTIS/Primary School/Cr.no.06

14/07/2021

***“Continuous learning is the minimum requirement for success in any field.”***

Dear Parents,

Greetings from LTIS!!

Almost all the children are now settled in their virtual classes offered by our school. However, it has been observed that in these online classes some students are not able to open up and clear out their doubts.

So, the school will be conducting additional classes on MS Teams for such students of classes 1, 2, 5, & 6 beginning from Saturday, 17<sup>th</sup> July. It will make the students confident in their conceptual learning and also provide an opportunity to clarify their doubts. The students who have joined recently can also attend these classes.

Kindly find the list of students who are expected to join these additional classes and also note the timings for the same.

**For LTIS**

**Principal  
Ms. Ritu Kapur**
