

LTIS/ Pre-Primary, Primary, Middle & Secondary School/Cr. no/11

Date: 09/09/2021

Dear Parents,

We are now towards the end of Term I and School is taking all the efforts to meet your expectations. Teaching, Activities are continued uninterrupted and children are thoroughly enjoying. We request parents to make the payment of the pending fees for previous year and current year as school is also facing difficulties in meeting its outstanding liabilities.

The school ensures that all government norms are being followed and if there is any reduction in the fees by the government the same will be adjusted in the future fee payment.

For LTIS
