

LTIS/ Pre-Primary, Primary, Middle & Secondary School/Cr. no/13

Date: 24/09/2021

Dear Parents,

We have completed Term I and School is taking all the efforts to meet your expectations. Teaching, Competitions, Events, Celebrations, Exams are continued uninterrupted and all the children are thoroughly enjoying. We request parents to make the payment of the pending fees for previous year and current year as school is also facing difficulties in meeting its outstanding liabilities. This is the final reminder.

The school ensures that all government norms are being followed.
