

LTIS/ Pre-Primary, Primary, Middle & Secondary School/Cr. no/17

Date: 11/10/2021

Dear Parents,

We have completed Term I Examination and now Results are due. School is taking all the efforts to meet your expectations. All the school activities are continued uninterrupted and children are thoroughly enjoying. It's high time that Parents should understand the difficulties of school and make the payment of the pending fees for previous year and current year. School is also facing difficulties in meeting its outstanding liabilities.

The school ensures that all government norms are being followed.
