LTIS/Primary, Middle, Secondary & Senior Secondary School/Cr. no/23

Dear Parents

Kindly note, we at LTIS to develop Scientific Temperament and to know our Culture, Regions etc are organizing **Science cum Social Science Exhibition named “NAKSHATRA”on 4th Dec 2021.**

It will be conducted in school in **offline mode**. Kindly go through the topics given for both the subjects and prepare yourself to exhibit your projects.

Exhibition will start by **9:30 am**.

Charts can be used for explaining the content.

You can participate either in Science or Social Studies. If you wish to participate in both you can do. Reporting time to school is **8:30 am**.

If children wish to keep their models previous day they can get it.

Dispersal on the day of exhibition would be **1:00pm**.

If the Project is based on electricity then the child needs to carry their own extension board, extra batteries as required for the experiment.

Children need to carry lunch box, water bottle, sanitizer and wearing mask is compulsory.

.

For LTIS

**Principal
Ms Ritu Kapur**
