Date: 20/05/2022

Dear Parents,

We all are aware about the importance of our Natural resources so one among them is very important i.e. Soil. **“Save Soil Movement”** has been started to save soil. As soil is the basis of our life and this planet is in danger because of the depleting layer of soil. There are various activities as provided in the guidelines of Isha Foundation. The guidelines contain a request for writing a letter by School children to the Prime Minister in their own language based on their understanding. You can go through the guidelines explained through a video <http://bit.ly/SSM-Video-Schools-Eng>).

The letters by the students to the Honourable Prime Minister can be submitted via Online or Offline mode latest by **30th May 2022**. The website for the online letter submission is <https://studentsforsoil.consciousplanet.org/> Students can send their Physical letters if they wish to at the following address:

Isha Foundation(Delhi Centre), 4 Osho Drive, Mandi Gaon Road, Gadaipur, New Delhi -110030
