

LTIS/ Pre-Primary, Primary, Middle, Secondary & Senior Secondary School/Cr. no/11

Date: 20/06/2022

Dear Parents,

This is in continuation with the fee reminders sent to you earlier.

We wish to bring it to your notice that a few parents have still not remitted school fee for their ward/wards for the Session 2021-22. Also requesting to pay the fees for academic year 2022-23 on regular basis.

It may be kept in mind that teachers and staff salaries have to be paid every month and on time, out of the collection of received school fees paid by the parents, the delay in remitting the school fees is causing financial hardship for the school.

Your clearance of dues will be appreciated.

Please ignore this notice if due fee has already been paid.

Stay safe and healthy!

For LTIS
